PETITION UNDER RULE 137(b)

Sir:

Applicants respectfully request that the above-referenced application, which became abandoned after March 28, 2005, be revived through the period including May 28, 2005, in order to establish copendency with Continuation Application Serial No. 11/139,236, which was filed May 27, 2005. When the '236 Continuation Application was filed, Applicants' undersigned representative overlooked the two-month extension of time that was required in the instant application to satisfy the copendency requirements for continuation applications.

In compliance with Rule 137(b)(1), attached hereto is a Petition for Extension of Time, requesting that the original period for response (March 28, 2005) be extended two months (until May 28, 2005). The PTO fee of \$450.00 for the two-month extension of time should be charged to Deposit Account No. 50-1446.

The \$1,500.00 Petition Fee as set forth in Rule 17(m) should also be charged to Deposit Account No. 50-1446.

Applicants' undersigned representative respectfully submits that the entire delay in filing the attached Petition for Extension of Time, which would have been due May 27, 2005 (the filing date of the '236 Continuation Application) until the filing of the instant petition was unintentional.
